Understanding Our Catalogue

Some questions are on everybody's mind, please allow us to explain how our catalogue works and answer the most common questions.

Most item codes are shown in the order that they appear by image. You can usually tell which is which by the letter they end in, indicating if the item is a "L" Large or "K" Keepsake etc.

A = Adult L = Large M = Medium S = SmallXS=Extra Small P=Petite H=Heart K=Keepsake T=Tealight

COLOUR

The colours in each collection are not interchangable, what is available for each item is as shown.

All possible care has been taken to provide accurate images however due to the nature of print, some colours may vary.

The codes/letters also corrolate to the dimensions

Eg T:13cm = Tealight is 13cm

These can ususally be found under the Collection name, or next to the item name itself. Eq:

Make it Personal with Mustowship

Engraving an urn with a special design or creating a print for one of our frames is a beautiful way to add your own personal touch to your memorial.

Some images will not engrave well on certain surfaces, so once you have made your selection, ask us to confirm if the image will suit your chosen urn. Please note that copyrighted images cannot be used, but ask us for more infomation about what may be possible in these instances. There is a time delay for delivery of personalised products. We cannot guarantee urns engraved by outside parties.

Each urn is crafted by hand and can take up to 30 hours to complete.

The sophisticated process involves the hammering of copper filigree to form delicate floral patterns which are hand-filled with enamel to develop rich shades of colour before these beautiful cremation urns are gilded in gold.

You can now preview what an urn would look like - in your own home - with our App for the iPad and iPhone.
