Understanding Our Catalogue

Some questions are on everybody's mind, please allow us to explain how our catalogue works and answer the most common questions.

CODING

Most item codes are shown in the order that they appear by image. You can usually tell which is which by the letter they end in, indicating if the item is a "L" Large or "K" Keepsake etc.

A = Adult L=Large M=Medium S=Small
XS=Extra Small P=Petite H=Heart
K=Keepsake T=Tealight

COLOUR

The colours in each collection are not interchangeable, what is available for each item is as shown.

All possible care has been taken to provide accurate images however due to the nature of print, some colours may vary.

SIZING

The codes/letters also correlate to the dimensions

Eg T:13cm = Tealight is 13cm

These can usually be found under the Collection name, or next to the item name itself. Eg:

- With the collection
- Large and Keepsake

- With the item name
- Large - Keepsake - Medium

"Does this hold ashes?"

Unless stated otherwise, all items you see in this catalogue CAN hold at least a nominal amount of cremains.

Memories

Some items in the catalogue include a package from "Memories". This allows you to use an online platform to create a digital memorial and guestbook, to preserve and share a lifetime of memories at the service and beyond. (Items on pages: 19, 29 & 39).

My Touch

Certain items can be personalised - the process can differ for each item, so please refer to pages 6-7 for details about what each of these different icons symbolise.

Contents

A LITTLE ABOUT US - sustainable, fair and quality made.

We are proud to offer an extensive range - full of unique styles and materials - to give people the gift of choice in a time that may be one the most personal moments of their lifetimes. Every person is unique, and every memorial deserves to be just as special.

You will notice that the items in this catalogue come from all over the world. Many years have gone into sourcing the best producers, innovators and caring people in the industry - some are the largest in the world and some are small family run and Australian based, many are in between. We believe in high quality products, that are made by people who care.

It is important to us that the items we offer are manufactured in the highest standards - in both quality and in the way that its creation effects our planet and the people involved in its production. We are proudly registered with Sedex, in their anti modern slavery network, to ensure that manufacturing is fair and ethical. We are also in the process of assessing and developing our SDG sustainability goals, as we have always had an eye on how we can make our process better for all.

All about Personalising with

Available in Butterflies, Doves, Hearts, Roses, Dragonflies and Motorbike. Ask us for details.

In addition to engraving names, dates and sentiments, other options include a selection of artwork. A variety of popular images are available (as shown below plus more), along with a choice of font styles. Items from different collections all have different options available and are created in different regions of the world so it's important to talk to our team to get the specific details right.

NB: Some images will not engrave well on certain surfaces, so once you have made your selection, we can confirm that the image will suit your chosen urn. Please note that copyrighted images cannot be used, but ask us for more information about what may be possible in these instances. There is a time delay for delivery of personalised products. We cannot guarantee urns engraved by outside parties.

Each urn is crafted by hand and can take up to 30 hours to complete. The sophisticated process involves the hammering of copper filigree to form delicate floral patterns which are hand-filled with enamel to develop rich shades of colour before these beautiful cremation urns are gilded in gold.

You can now preview what an urn would look like - in your own home - with our App for the iPad and iPhone.

A Living Tribute

Handmade from biodegradable and recycled materials and embedded with seeds, this paper heart will grow flowers as your own living tribute.

Simply plant it in a pot, or directly in a warm garden, covered with 0.5cm of fine soil.

Water lightly every day until the seeds germinate in approximately 5-10 days, then when needed. Flowers in 3-4 months. The paper will recycle into the soil as the seeds burst into flowers.

A legacy

Many choose to memorialise at a memorial park, to create an everlasting legacy of their loved one - a place where family or friends can gather.

Sometimes creating a second memorial elsewhere is also a part of that legacy.

Perhaps at home, in a sentimental or reflective place, or somewhere for family who live far away.

A simple place to write. To your loved one about life, shared experience, feelings and more.

Grief Resources

The funeral process is just one component of the constant that is grief, ever evolving and popping up in moments throughout life. After the funeral or memorial, it can often be a difficult time, as others return to their lives, while you navigate a new normal. These resources were thoughtfully designed with your unique experience in mind, for you or someone you love to use in whichever way is most helpful, in the days, months and years that follow loss. A continuation of the care you have received so far.
